SOUTH PLAINFIELD — Sultan Tucker, who took off last spring season, made his mark yesterday at the NJSLA public-school state track and field championship in South Plainfield.

The Delsea senior blew away the field in the Group 3 110-meter hurdles, winning in a group-record time of 13.76 seconds, which broke the mark of Gerard Reynolds of Willingboro of 13.88 set in 1989.

Tucker, headed to Clemson on a track scholarship, was not even threatened, with Charles Oglesby placing a distant second in 14.22 seconds.

Bridgeton's Curtis Custis had a strong day, winning the Group 2 110-meter hurdles (14.25) and taking the long jump (22 feet, 6½ inches).

In the girls' ranks, Bridgeton's Melinda Boykin won the discus with a toss of 133.0. Bridgeton was in first place with 33 points after seven events in Group 2, with North Plainfield in second (26) and Buena in third.

A big key for Buena was Katrina Sye, who won the 400 and 400 hurdles. Sye was dominant in both events, establishing a group record in both. Sye's time of 55.03 set a new mark in the 400, breaking the mark by Jacki Bobien of Clifford Scott in 1982.
